

Edible Glue Recipe For Bird Seed Treats

1/2 Cup Warm Water
1 Envelope Unflavored Gelatin
3/4 Cup Flour
3 Tablespoons Corn Syrup
4 Cups Birdseed
Wooden Bird House or Decor
Optional:
Various bird seeds/nuts/millet/dried fruit
Bundt Pans

1. Mix warm water and gelatin until dissolved.
2. Stir in flour
3. Stir in Corn Syrup
4. Spread glue over wooden bird house and coat with birdseed for a decorative bird house treat.
5. OR mix in 4 cups of bird seed into glue mixture
6. Spray Bundt pans with non-stick cooking spray
7. Fill with glue/seed mixture and allow to dry 24 hours.
8. Adorn houses or bundlets with extra seed, dried fruit or other tasty treats for your feathered friends!
